

Strategic Plan 2026-2029

VISION

Leaders of integrated sport medicine and science services in Saskatchewan.

MISSION

We unite, connect, and support Saskatchewan's sport medicine and science community, ensuring qualified professionals deliver integrated services that maximize athlete health, wellness, and performance at every stage of sport.

VALUES

- **Leadership:** We lead by empowering others - fostering continuous learning and providing support to consultants in pursuit of excellence in athlete care.
- **Professionalism:** We deliver exceptional care with integrity and relentless dedication.
- **Expertise:** We use the knowledge and experience of our professionals in sport medicine and science, delivering evidence-informed practice that improves health, safety, and performance in sport.
- **Inclusivity:** We strive to create an environment where everyone feels welcome, respected, and supported regardless of background, ability, or identity.

PILLARS

- Comprehensive Quality Services
- Development of Professionals
- Operational and Organizational Development

PILLARS WITH STRATEGIC OBJECTIVES

- **Comprehensive Quality Services**
 - **Strategic Objective 1:** Enhance facilitated access to service providers.
 - **Strategic Objective 2:** Maximize the utilization of integrated service teams to meet the needs of clientele.
 - **Strategic Objective 3:** Demonstrate irreplaceable value of integrated service teams.
- **Development of Professionals**
 - **Strategic Objective 1:** Empower consultants through development opportunities to gain the competence to work confidently in a sport environment.
 - **Strategic Objective 2:** Uphold consultants to the Council's standard of services.
- **Operational and Organizational Development**
 - **Strategic Objective 1:** Champion the importance of integrating quality sport medicine and science services to advance sport.
 - **Strategic Objective 2:** Diversify educational programs and delivery to maximize provincial reach
