Independent Auditors' Report

To the Board of Directors
Sport Medicine and Science Council of Saskatchewan Inc.

Opinion

We have audited the financial statements of Sport Medicine and Science Council of Saskatchewan Inc., which comprise the statement of financial position as at December 31,2020, and the statement of operations, statement of changes in net assets and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31,2020, and its financial performance and its cash flows for the year then ended in accordance with accounting standards for not-for-profit organizations (ASNPO).

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Fax:306-565-2633

Independent Auditors' Report

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Sport Medicine and Science Council of Saskatchewan Inc.

Notes to the Financial Statements

For the Year Ended December 31, 2020

1. Nature of council

Sport Medicine and Science Council of Saskatchewan Inc. (the "council") is incorporated under the *Non-Profit Corporations Act, 1995 of Saskatchewan* and is exempt from income taxes under *Section 149 (1) (l) of the Income Tax Act, Canada*.

The council's purpose is to deliver high quality, evidence-based sport science and sport medicine programs and services in the targeted areas of sport biomechanics, exercise physiology, mental training, sport nutrition, sport medicine (injury care, prevention and rehabilitation), and drug and supplement education to all athletes and coaches throughout Saskatchewan.

2. Significant Accounting Policies

Basis of Presentation

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO) applied within the framework of accounting policies summarized below.

a. Revenue recognition

The council follows the deferral method of accounting for contribution. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when they are received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Endowment contributions are recognized as direct increases in net assets in the year.

Grants from Sask Lotteries Trust Fund for Sport, Culture, and Recreation are received out of the net proceeds of lottery ticket sales in Saskatchewan. These grants have been recorded as revenue by the council and approved by Saskatchewan Lotteries Trust Fund for Sport, Culture, and Recreation for the year ended December 31, 2020. Accordingly, grants received for specific programs which are not expensed during the year are recorded as deferred revenue.

Investment income is recognized in the year earned.

b. Cash and cash equivalents

Cash and cash equivalents include short-term investments and highly liquid investments in money market instruments which are carried at the lower of cost and market value with a maturity date of three months or less from the acquisition date. These are valued at cost which approximates market value.

c. Investments

Investments are recorded at the lower of cost or market. The market value of marketable securities held at December 31, 2020 was \$ 1,110,734 (2019 - \$ 989,304). The council has elected to classify short and long term investments with a stated maturity date and rate of return as Held to Maturity and have classified them as such because the council has the positive intent and ability to hold the securities until maturity.

Sport Medicine and Science Council of Saskatchewan Inc.

Notes to the Financial Statements

For the Year Ended December 31, 2020

2. Significant Accounting Policies (cont.)

d. Property, plant and equipment

Property, plant and equipment is carried at cost for purchases over \$1,000. Depreciation is calculated using the straight-line method over the estimated useful lives as follows for the major classes of assets: Depreciation expense for December 31, 2020 was \$ 1,082 (2019 - \$ 1,288).

Asset	Useful life
Computer equipment	3 years
Computer software	2 years
Medical equipment	10 years
Office equipment	10 years

e. Impairment of long-lived assets

In the event that facts and circumstances indicate that the council's long-lived assets may be impaired, an evaluation of recoverability would be performed. Such an evaluation entails comparing the estimated future undiscounted cash flows associated with the asset to the asset's carrying amount to determine if a write down to market value or discounted cash flow value is required. The council considers that no circumstances exist that would require such an evaluation.

f. Financial instruments

The council has determined that the estimated fair value of the financial assets and liabilities do not differ considerably from their book value.

i. Not subject to interest, currency or credit risk

Unless otherwise noted, it is management's opinion that the council is not exposed to significant interest rate, currency or credit risks arising from these financial instruments. The fair values of these financial instruments approximate their carrying values.

ii. Fair values approximate carrying values unless otherwise disclosed

The fair values of financial instruments approximate their carrying values except as otherwise disclosed in these financial statements.

iii. No significant risk due to short-term maturity

The council is not exposed to significant interest rate risk due to the short-term maturity of its monetary assets and current liabilities.

Sport Medicine and Science Council of Saskatchewan Inc.

Notes to the Financial Statements

For the Year Ended December 31, 2020

2. Significant Accounting Policies (cont.)

g. Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for private enterprises requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and may have impact on future periods.

3. Inventories

a. Accounts by period

Inventory consists of the following:

	2020	2019
First aid supplies	\$ 19,223	\$ 18,405
Total	\$ 19,223	\$ 18,405

4. Investments

	2020	2019
CIBC Wood Gundy Cash balance	\$ 11,149	\$ 55
CIBC Wood Gundy Home Trust Co GIC Cert A, Sep 16, 2021 - 0.85%	95,800	-

CIBC Wood Gundy Homeequity GIC, Oct 5, 2020 - 2.10%	-	106,000
TD Direct Equitable Bank GIC, June 15, 2020, 2.73%	-	101,810
Total investments	\$ 1,110,734	\$ 989,304

Sport Medicine and Science Council of Saskatchewan Inc.

Notes to the Financial Statements

For the Year Ended December 31, 2020

5. Property, plant and equipment

Property, plant and equipment consist of the following:

			2020	2019
	Cost	Accumulated Depreciation	Net Book Value	Net Book Value
Computer hardware	\$ 9,895	\$ (9,895)	-	\$ 27
Computer software	1,334	(1,334)	-	-
Medical equipment	29,683	(27,312)	2,371	3,032
Office equipment	10,285	(9,139)	1,146	1,540
Total	\$ 51,197	\$ (47,680)	3,517	\$ 4,599

6. Sport Legacy Fund

The receivable from the Sport Legacy Fund and related liability consists of donations based on various programs and contributions by Sask Sport. To qualify for the additional contribution by Sask Sport, the council is required to leave the original amount and additional donations in the Legacy Fund for 5 years. Therefore, the fund is classified as a long-term asset.

7. Economic dependence

Sport Medicine and Science Council of Saskatchewan Inc. currently receives significant revenue in grants from the Saskatchewan Lotteries Trust Fund for Sport, Culture and Recreation. As a result, the council is dependent upon the continuance of these grants to maintain operations at their current level.

Sport Medicine and Science Council of Saskatchewan Inc.

Notes to the Financial Statements

For the Year Ended December 31, 2020

8. Significant event

In March 2020, there was a global outbreak of COVID-19, which has had a significant impact on organizations through the restrictions put in place by the Canadian, provincial, and municipal governments regarding travel, business operations and isolation/quarantine orders. At this time, it is unknown the extent of the impact the COVID-19 outbreak may have on the Organization as this will depend on future developments that are highly uncertain and that cannot be predicted with confidence. These uncertainties arise from the inability the duration of travel restrictions, business closures or disruptions, and quarantine/isolation measures that are currently, or may be put, in place by Canada and other countries to fight the virus.
