Sport Bracing, Orthotics, Other	Contact for details	Considered on a case by case basis	Considered on a case by case basis	Considered on a case by case basis

### Eligible Providers

- The SMSCS and its approved professional members/consultants can provide this service but athletes are free to utilize whomever they choose as long as they have the appropriate medical designation.
- A complete listing of the SMSCS service providers is available at the SMSCS's website at [www.smscs.ca](http://www.smscs.ca). These individuals are the sport experts within their professional medical designations.
- It should be noted that the SMSCS does not have a specific listing of service providers for: Acupuncture, Orthotics and Sport Bracing.

**Note:** CSCS registered individual athletes must use their own (or parents) medical insurance prior to using the CSCS medical services and reimbursement program. Additional treatment services will only be provided under this service category under "rare circumstances" and will require prior approval from the CSCS.

### CSCS Notes:

- Payment for these services is provided by the Canadian Sport Centre Saskatchewan.
- PSO's have the opportunity to apply for "Enhanced Services" funded through the Canadian Sport Centre Saskatchewan.
